

Certificate of Registration

PricewaterhouseCoopers LLP has assessed whether the management system at

L&M Precision Products Inc.

150 Milvan Drive, Toronto, ON Canada M9L 1Z9

is suitably designed to provide reasonable assurance that the requirements of the standard noted below (the Requirements) have been met, as of May 11, 2018.

ISO 9001:2015 Quality Management System Standard

Management is responsible for ensuring the management system meets the Requirements. Our responsibility is limited to expressing an opinion as to whether the Requirements were met, based on our assessment. The ISO 9001:2015 standard can be found at www.iso.org.

Our assessment was conducted in accordance with the ISO 17021:2015 management system auditing standard and, accordingly, included examining, on a sample basis, evidence supporting management's assertion that the Requirements were met and performing such other procedures as we considered necessary in the circumstances. We planned and performed our work in order to obtain reasonable, rather than absolute, assurance with respect to the information examined. We believe our work provides a reasonable basis for our opinion.

In our opinion, the management system was suitably designed to provide reasonable assurance that the Requirements were met, in all material respects, as of May 11, 2018.

SCOPE OF CERTIFICATION:

Manufacture of precision machined products on automatic screw machines for automotive, appliance, fittings and related industries.
